To Whom It May Concern:

It gives me great pleasure to write this letter to let you know how wonderful it was to work with Contich Construction Corp. and their sub contractors.

They did everything they said they were going to do and did it in a timely manner. Everyone that worked on the site was helpful. The job supervisor was available whenever he was needed and took care of all problems that arose.

As mentioned previously, it was a great pleasure to work with them. Please do not hesitate to get in touch with me if you have any specific questions.

Sincerely,

Anita Sculnick, LCAM
