To Whom It May Concern:

Having lived in Florida for the past 21 years, I must say that my dealings with most home improvement companies has been, for the most part, rather disappointing. That is why it is with great pleasure that I write this letter of recommendation.

Several years ago Curt Contich did extensive remodeling on both the interior and exterior of my Mothers home located in Deerfield Beach . The remodeling included complicated roof replacement as well as window replacement, new driveway and patio and pool enclosure to name just a few. The cost of this project was in excess of \$100,000.

Mr. Contich did an outstanding job in all phases of this project. He gave us an itemized cost sheet that proved to be extremely detailed and accurate. He returned our phone calls promptly and was always available for any questions that we might have. Mr. Contich and his work was superior and he finished on schedule.

On a personal note I would like to add that Curt Contich has proved to be honest, dependable, reliable, sincere, trustworthy and professional. The completed project exceeded our expectations.

If you need any additional information please feel free to contact me.

Sincerely,

DIANE REHM
