Dear Curt:

It has been a pleasure working with you over the past eleven years. Your Construction expertise and leadership, especially in the area of Communication, has been invaluable to Sunbelt during the opening, closing, and maintaining of our 12 South Florida stores. You have managed our projects with attention to detail and completed each build out on time and on budget.

Having Contich Construction as our General Contractor has allowed our store managers to concentrate on their job: meeting the needs of our customers. From major renovations and build outs, to day to day maintenance items, you and your team react quickly, quote us efficiently, and complete the work in a timely fashion. Your patience in dealing with our ever changing needs, (sometimes in the middle of a project!), is greatly appreciated.

Thank you for your help in making Sunbelt Rentals a leader in our industry.

We look forward to working with you in the future.

Sincerely,

Duane Francis
District Manager
